

CUPERTINO HISTORICAL SOCIETY + MUSEUM DIVERSITY, EQUITY, ACCESSIBILITY AND INCLUSION

Museums are a vital part of how we tell the stories of who we are, who we've been, and how we will live together. They maintain our cultural heritage and teach us about all the ways we are different and the same. Reflecting the diversity of that heritage is a critical part of museums' work. We cannot claim to be truly essential to society if we are not accessible to all.

The Cupertino Historical Society + Museum highlights diversity, equity, accessibility, and inclusion as a key focus area in its current strategic plan. We believe that equity is our goal, inclusion is how we move toward that goal, and diversity describes the breadth of our experiences and perspectives

We, as an organization, adopted the American Alliance of Museum's Policy on Diversity, Equity, Accessibility and Inclusion.

DIVERSITY AND INCLUSION POLICY STATEMENT

The Cupertino Historical Society + Museum respects, values and celebrates the unique attributes, characteristics and perspectives that make each person who they are. We believe that our strength lies in our diversity among the broad range of people and histories we represent. We consider diversity and inclusion a driver of institutional excellence and seek out diversity of participation, thought and action. It is our aim, therefore, that our members, partners, key stakeholders reflect and embrace these core values.
